

DITCHEAT PARISH COUNCIL INTERNAL REVIEW 2021-22

We have completed our annual review of the Ditchheat parish council record-keeping.

The parish financial records continue to be maintained at a very high and conscientious standard, with no matters being necessary to bring the Council's attention.

There are no other matters that we feel should be formally notified to the Council.

A handwritten signature in black ink, appearing to read 'Chris Thring', is written over the text of the paragraph.
